School’s 3 Year Plan
The Department requires all schools in NSW to develop a 3 year plan using a new model. Consultation has started with parents through the school website, newsletter and iPad surveys. The school’s model centres on ‘Excellence’, ‘Quality Teaching and Leadership’, ‘Real World Connections’ and ‘Shaping Life Long Learners’. The school views that it has the responsibility to develop the whole child.

Uniform Shop Committee Report  
P & C Meeting  
November 2014  
Prepared by: Sally Sternecker (Temporary Convener)  
24 November 2014  

UNIFORM SHOP OPERATIONS  
Kindergarten orientation sales and operations were successful.

PRICING  
The committee is undergoing a full review of prices and margins. We are targeting to complete this review before the end of the term.

TIME SHEETS  
Time sheets are now being completed by all paid staff as requested by the P&C Treasurer and bookkeeper. We are planning to pre-approve “standard” weekly hours and overtime as requested (in advance).

ONLINE ORDERING  
The committee are considering using School 24 for online ordering. A proposal document has been drafted with a detailed review by the committee still to take place.

Roseville public school are already using School24 for their uniform shop and we expected to adopt a similar model.

Any suggestions from the P&C will be considered.

BUSH CAMPUS OPERATIONS

Volunteers

The shortage of volunteers is still a problem. Parents are needed. Unfortunately students aren’t really able to help much.

Electricity Outage

Bush Campus power outage – there was an outage on Friday 7th Nov through to Monday 10th November in the admin building due to a cable accident. No stock lost as paddle pops transferred back to main campus, and other items kept cold in cooler bag inside closed freezer (including apple juice, TNTs and jelly joys). Despite power being off there was no spoilage to these items.

RED DAY – TERM 4

280 morning tea ordered, 359 sausage sizzle ordered, 100 sushi sets ordered. This is higher than last term and profit will be higher too.

SCHOOL24

School 24 has introduced a low few credit card payment. This enables parents to top up their accounts by credit card and only pay 0.5%. This is so reasonable that the committee has made the decision to move to 100% credit card top ups from next year. Moving to this system significantly reduces the workload for the committee and Peilin. In addition, there is less scope for error since the transactions occur between the bank and School24 making accounting easier too.

OPENING HOURS

The canteen now operates until 2:00pm. Ice blocks are sold before 1.45pm.

COMMERCIAL OVEN

Discussions have commenced on changes to the kitchen which will benefit both the canteen and Chatswood OOSH. Peilin has a quote of $4000 for a commercial oven. Christine is discussing the kitchen requirements for OOSH and whether a contribution can be made by OOSH towards refitting the canteen.
