Chatswood Public School P&C President’s Report and Welcome 26 July 2016

Welcome

On behalf of the P&C Executive I’d like to welcome you all to our fifth meeting of the year.

The agenda is a bit lighter than usual with the school holidays in the intervening period since our last meeting. However Su Hill will be presenting on the recent overseas trip by students and teachers to China and Korea.

President’s Report

As always there has been a lot of activity in the school in the past month. Volunteers led by Sue Low have been busy organising the upcoming Moon Festival.

As I have highlighted previously, apart from the re-development of the Chatswood High School sports ground going ahead (between November and April/May), unfortunately other areas of the school’s Master Plan have fallen silent. Neither Chatswood Public School nor Chatswood High School was mentioned in the recent NSW State Budget update, which is rather disconcerting. Our student numbers continue to grow significantly each year and the P&C believes government funding should be provided for capital works to provide additional classrooms. The P&C Executive have resolved to follow up with our local member Gladys Berijiklian and provide an update following our July 2015 meeting.

The Master Plan Sub-Committee met recently to discuss the issues above and subsequently have decided on a strategy re engaging with local and State government. Once these meetings have been held we will brief the broader P&C.

The 2016 Trivia Night will be held on Saturday 3 September in the school hall. Tickets are $25 and can be purchased via the P&C website. For further information please contact Lyndall Franks (lyndall.franks@hotmail.com) or Sonia Deaner (sonia_deaner@hotmail.com).

I would like to thank the many volunteers for the contribution to the ongoing activities of the Canteen and Uniform Shop as well as those who have helped with recent school events. Without your involvement our children would not benefit from such a caring school community which allows them to achieve their best.
Grounds

The P&C Working Bee was held last Sunday 24 July. Over 20 adult volunteers came to help and it was a very successful day, with much done in the three hours allocated.

Our volunteers:

- Weeded and extensively re-planted the amphitheatre area
- Weeded the Lower Lowers gardens and re-planted alongside the ramp
- Installed stepping stones in Peace Place, complemented with additional planting
- Weeded and re-planted the gardens along Centennial Ave
- Planted additional Camellias along the Pacific Highway frontage
- Re-planted the garden bed outside the main office
- Planted a native garden between the Bush Campus demountables

Thanks to all those who came along to help improve the physical environment our children are surrounded by every day. As you can see when looking around the school at the results from our previous working bees it is well worth your efforts!
